

AMID CONVERSION, CREDIT UNION 24 CONTINUES GROWTH

April 14, 2006, Tallahassee, Fla. – Despite being entrenched in a major switch-processor conversion, Credit Union 24 is still growing its credit unions and points of access. In the first quarter of 2006, Credit Union 24 has added approximately 3000 new point-of-sale (POS) locations, and has welcomed eight new credit unions to the network.

“Even with the resource-intensive conversion process from one switch platform to another, Credit Union 24 has not lost its focus on boosting access and convenience for our member credit unions,” explained Credit Union 24 President and CEO Jim Park. “Increasing the network’s footprint by consistently adding ATM and POS locations boosts value. Credit unions around the country recognize that value, and are joining our EFT community faster than ever.”

Enrolling in the Credit Union 24 network in the first quarter of 2006 were: Member Services FCU of Little Rock, Ark.; Genuine Parts CU of Norcross, Ga.; Atlanta Federal CU of Atlanta, Ga.; Southeast Georgia Health System FCU of Brunswick, Ga.; University Health FCU of Augusta, Ga.; Coral Community FCU of Ft. Lauderdale, Fla.; Caprock FCU of Lamesa, Tex.; and Tropicana Federal CU of Bradenton, Fla.

Credit Union 24 is a flexible, member-owned, full-service ATM and POS network with multiple processor links, hundreds of thousands of POS locations and more than 100,000 ATM terminals across the country. Credit Union 24’s CU HERE surcharge-free program is part of one of the largest surcharge-free ATM networks, offering approximately 12,000 no-fee ATMs. Headquartered in Tallahassee, Fla., the Credit Union 24[®] Network is a strong, growing and independent EFT cooperative, and is the largest credit union-owned POS network in the nation.
