CREDIT UNION 24 AND ALASKA OPTION ENTER MARKETING AGREEMENT

Alaska Option Network Named a Credit Union 24 Preferred Network Marketing Agent

TALLAHASSEE, Fla. – June 11, 2008 – Credit Union 24 and Alaska Option®, two national credit union-owned ATM and point-of-sale (POS) networks, have signed an agreement for Alaska Option to market the Credit Union 24® network services to Alaska Option customer institutions. Taking advantage of potential synergies between the two like-minded, member-owned organizations, the agreement will benefit Alaska Option members with surcharge-free ATM access.

Under the agreement, Alaska Option will actively promote membership in the Credit Union 24 network cooperative to Alaska Option member financial institutions as a way to expand surcharge-free ATM access on a national scale.

“This is a natural affiliation,” said Jim Park, Credit Union 24 President and CEO. “Credit Union 24 and Alaska Option are similar organizations that augment each other’s strengths to benefit our respective member-owners with access, economy, and alternatives in the ATM and POS marketplace.”

“We are very excited to extend the opportunity for Alaska Option member financial institutions to participate in the CU24 program and have access to their extensive no-surcharge ATM network,” said Alaska Option President John Shipe. “Alaska Option and CU24 share a similar vision regarding customer service and meeting the individual needs of our member financial institutions. Alaska Option is committed to seeking opportunities to offer additional value and convenience to our members, and this agreement works to further that commitment.”
