### **CU24 and VolCorp Announce Strategic Marketing Agreement**

Under the agreement, VolCorp is able to offer access to the **CU24** network and related payment services to member credit unions throughout Kentucky, Tennessee, and West Virginia.

“Through this agreement, VolCorp will be able to provide our member credit unions with access to the full range of **CU24’s** services, including the largest credit union-owned ATM and POS network and access to the largest network of surcharge-free ATMs available anywhere,” said Sandy Swofford, Volcorp SVP, Marketing/Business Development.

“We welcome this arrangement with VolCorp,” said Joe Woods, **CU24** Vice President for Sales. “It is a perfect match between two organizations committed to the growth and strength of credit unions. At **CU24**, we practice the credit union philosophy of cooperation and service every day, and this arrangement with VolCorp will enable us to deliver on our mission to help credit unions throughout the southeast region. We couldn’t be more pleased with this agreement.”

“VolCorp works hard to help our credit unions provide an extensive array of products and services to their members,” continued Ms. Swofford. “We help credit unions compete. With **CU24**, we can bring even more value to our credit union community with a full range of network services, surcharge-free options, training programs, cost effective ATM outsource solutions, and the most innovative real-time P2P service available.”

#### **About CU24**

**CU24** is a credit union owned cooperative that provides a range of EFT and payment-related services targeted primarily to small and midsize credit unions. **CU24** operates the largest credit union-owned POS network in the United States, and provides access to the
