CREDIT UNION 24 PARTNERS WITH KAHUNA BUSINESS GROUP

Tallahassee, Fla. - Credit Union 24 announced today an agreement with Kahuna Business Group to provide convenient and cost-effective ATMs and servicing to their credit union network participants. The agreement will allow Credit Union 24® Network-participating credit unions the ability to place a variety of Triton Systems ATMs at a fraction of the cost of competing machines.

"Our agreement with Kahuna Business Group gives our credit unions a cost-effective way to increase their ATM presence in their respective markets," said Jim Park, president and CEO of Credit Union 24. "Kahuna can provide and service off-premise ATMs, as well as in-wall and drive-up models, so we appreciate the choice and flexibility that gives our credit unions."

"We are thrilled with the opportunity to create a lasting relationship with Credit Union 24," said Ernie Beckman, vice president of business development of Kahuna Business Group. "Access to the Credit Union 24® Network and our ability to offer multiple product lines and complete turn-key solutions creates a beneficial partnership for Credit Union 24 and Kahuna Business Group."

Kahuna Business Group is the ATM industry leader in aggregating buying power for individual ATM companies and financial institutions. Established in 1995, Kahuna's niche is leveraging the collective strength of its individual clients into tremendous group buying power and efficiency in equipment, service and processing solutions.

Founded in 1981, The Credit Union 24® Network — a strong, growing and independent vehicle through which participants control their own EFT pricing while maintaining ATM and POS access to credit union members — is the largest credit union-owned POS network in the country, and is headquartered in Tallahassee, Florida.
