Family Savings Federal Credit Union Joins Credit Union 24 Network

TALLAHASSEE, Fla. – August XX, 2009 – Credit Union 24, the country’s largest credit union-owned ATM and point-of-sale (POS) network, announced today that Family Savings Federal Credit Union has joined its network.

“This summer has been full of exciting achievements and promotions within our credit union,” said Monte Hill, CEO of Family Savings FCU. “We have joined the Credit Union 24 network to provide our members with nationwide account access through the largest fee-free ATM and POS access in the country. This, in addition to our unique summer promotions, compliments our already successful online banking service, which has dramatically increased the value delivered to our members.”

Family Savings FCU celebrated the recent 100th anniversary of America’s Credit Unions, the national network of all credit unions in the U.S., by offering special promotions for their members this summer. In July, it offered the “Skip a Payment” program, which gave members a chance to skip their July loan payment and alleviate the financial stresses of summer. In addition, Family Savings is also offering substantially reduced interest rates on auto loans.

Family Savings FCU was established in 1951 when a group of seven Goodyear Tire and Rubber employees each pulled \$5.25 from their pockets to charter the credit union in Gadsden, Alabama. Today, it has grown to more than \$230 million in assets and serves more than 50,000 members through nine locations in northeast Alabama and northwest Georgia.

“Family Savings FCU has achieved significant success with the recent introduction of service upgrades and special promotions, and we’re pleased to provide the ‘cherry on top’ of these premium services that Family Savings FCU offers its members,” said Jim Park, president and CEO of Credit Union 24. “The advantages of being a part of the credit union-owned Credit Union 24 network directly impacts the credit union member through fee-free financial access, and improve the overall value proposition of the credit union itself, helping the credit union to grow and attract new members.”
